You are subscribed to Sulfate Standard for Wild Rice for Minnesota Pollution Control Agency. Some new information about this topic is now available.

The Minnesota Pollution Control Agency (MPCA) has contracted with Eastern Research Group, Inc. (ERG) to convene and facilitate a Scientific Peer Review of the Wild Rice Sulfate Standard Study (Study) and the MPCA's Analysis of the Study (Analysis). This peer review is a step in the larger process in which the MPCA will consider scientific information to determine if changes to the wild rice sulfate standard are needed.

~~Responding to the Request for Reviewer Nominations for the Wild Rice Sulfate Standard Study and Analysis Scientific Peer Review process and the MPCA's~~
